

OUT OF THIS WORLD.

25 years of 100% output power guarantee.

BISOL SupremeTM

Solar company!

BISOL Supreme™ is a solar PV module with 25 years of 100% Output Power Guarantee.

Would you agree that luxury lies in high performance and reliability?

- ▶ That is precisely what BISOL Supreme™ is.
- ▶ BISOL Supreme™ is the world's new trendsetter that will be followed by all future PV modules.

MORE

Why is 100 % Output Power Guarantee important for customers?

- ▶ Have you ever questioned your brand-new car's name-plate horsepower or measured its horsepower after 5 years of use?
- ▶ Have you ever asked your car manufacturer to provide you with a specific guarantee on the rated horsepower together with measurement tolerances?
- ▶ Have you ever bought a car that would have guaranteed only degraded horsepower?

**Degradation is in the nature of every product,
but why should the customer pay for it additionally?**

**Can innovation in engineering
make a difference?**

BISOL Supreme™

**100% Output Power
Guarantee**

**0% Effective
Degradation Rate**

11% More Energy

Manufacturing in Europe is key to your success.

- ▶ Highest industry standards and quality criteria.
- ▶ Highly skilled human competence with more than 16 years of experience.
- ▶ The best materials tested in climate chamber to destruction used in 100+ individual processes.
- ▶ Constantly upgraded tailor made high-tech production lines and robots.
- ▶ Delicate handling with an eye for perfection to sustainably deliver high-quality.

**Can an experienced eye
contribute to perfection?**

*Relax and enjoy
the comfort of pure luxury.*

- ▶ Derived to perfection
- ▶ Specialized equipment,
materials tested to destruction
& unique processes
- ▶ Individualised QR code
- ▶ Improved temperature coefficients
- ▶ Lower NOTC
- ▶ PID, LID and other ID free
- ▶ 25-year product guarantee

The image shows two orange industrial robotic arms positioned side-by-side within a factory environment. The scene is dramatically lit with red light, which highlights the metallic surfaces and the complex machinery. The background is slightly blurred, showing other parts of the industrial facility. The overall atmosphere is one of precision and automation.

**Is the process control really the only way
to uncompromised and repeatable quality?**

BISOL brings you more value!

Guarantee and supremely high performance are only a start.

- ▶ All modules have substantially **higher initial output power** than the industry standard.
- ▶ You will recognise BISOL Supreme™ PV module by an **individualised QR Code** that connects you to an online ID Card of that same module.
- ▶ **100% product quality inspection** with an official certificate from the inspecting person!

The QR Code ID Card

The ID Card comprises the full spectrum of the real measured technical data:

- ▶ Serial number
- ▶ Client order details
- ▶ Manufacturing details including materials used
- ▶ Personnel engaged in manufacturing
- ▶ Complete and comprehensive measurement details (I/V curve, visual camera and EL images)
- ▶ Name of the person who performed final quality control and took responsibility for its perfection

DEAR VALUED CUSTOMER!

Please let me thank you personally for purchasing your brand new BISOL products. It is our pleasure and delight that we have been able to meet your desires. We continue to strive to offer products that meet your requirements and exceed your expectations.

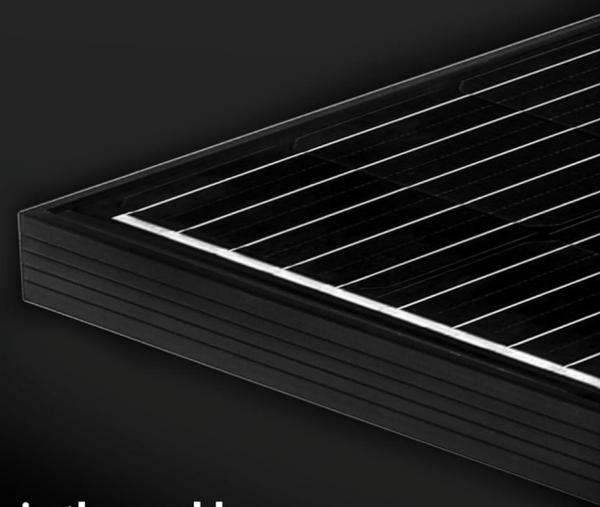

Would you believe that luxury lies in high performance and reliability?

BISOL products are manufactured in Europe, where we are particularly strict about implementing the highest industry standards and stringent criteria they impose into premium quality products. Europe is the leader in manufacturing for most key technologies such as automotive, pharmaceutical, nautical, and many others. Work and high tech of solar modules from BISOL comprise different processes put together in more than 100 individual processes. The care and highly skilled human competence is just as important as technology since only the many years of experience and dedication of employees with love for every detail can guarantee the quality of a BISOL solar module. Delicate handling with an eye for perfect quality is a prerequisite for the production setup that sustainably delivers high quality.

Delivery date: 10.01.2020
PI number: 19-011-002226
Delivery note: 20-380-000016

WORK ORDER

Laminate Work Order	
Number	20-6P0-000022
Layup date	08.01.2020 20:30:46
Shift leader	Emira Mujić
Stringer operator	Domen Arnšek
Bussing team	Vanja Vidrajs
	Doroteja Obu
	Ibadete Azemi
Intermediate quality inspector	Diana Islami
	Andreja Špeglič
J-box installer	Vladimir Florjan
	Qerim Beqiraj

Module Work Order	
Number	20-600-000026
Measurement date	09.01.2020 06:14:54
Shift leader	Almir Bašanović
Measurement team	Simon Piki
	Matic Potočnik
Packer	Simon Škoberne
	Robert Vasle
Final quality inspector	Katarina Veselič

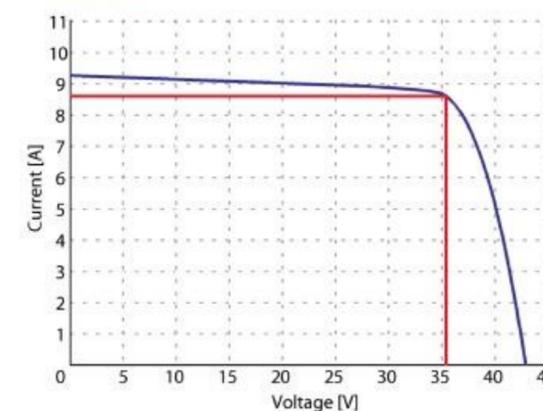

MATERIAL

Glass	STINT005-A
EVA	EVAFRE004-5
Cells	CGSA5M2-2100P
Back-sheet	HFCOV005-B
J-Box	JBSIN001

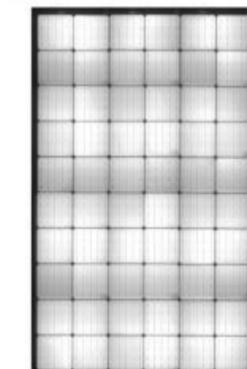

MEASUREMENT DATA

Nominal Power	$P_{MPP} [W]$	304.6
MPP Current	$I_{MPP} [A]$	8.60
MPP Voltage	$U_{MPP} [V]$	35.4
Short Circuit Current	$I_{SC} [A]$	9.27
Open Circuit Voltage	$U_{OC} [V]$	42.9

Designer Packaging

- ▶ Designer packaging to share exciting and informative content on solar and renewables in general!

We are confident in our competence...

- ▶ The early PV modules from production start in 2006 can still be discovered today at various locations around the globe because solar products from BISOL have always been as resilient as they are coveted.
- ▶ Our finest excellence is in maximising performance and in conveying profitability with care for the environment.
- ▶ You can rest reassured that by BISOL Supreme™, you are purchasing a first-class product that will serve you long and meet all your expectations.

You deserve only the best, you deserve only BISOL!

Is value for the customer
the right question to ask?

Price

How much is your average grocery shop spend? Don't you think it is worth paying a small premium on a PV module that stays with you for decades?

- ▶ With **100% guarantee on output power**, you can say that the longer you use the modules, the more value you get from them!
- ▶ BISOL Supreme™ is very expensive to manufacture. At BISOL, we put our strengths together and were able to **bring expenses down**.
- ▶ As a result, we can offer you BISOL Supreme™ series for just **0.59 €/Wp**. But we do not stop here! Register yourself at BISOL Supreme™ Cashback to be refunded with a bonus of **0.03 €/Wp**.
