

Battery Compatibility Statement

After testing and verification, here we are confirming that the corresponding tested GoodWe inverters are compatible with SYL (Ningbo) Battery Co., Ltd.

Include inverter and battery models as:

GoodWe Inverter models:

ET Series, BT Series, EH Series, BH Series

Battery models:

SH11K1NH, SH14K8NH, SH18K5NH, SH22K2NH

The compatibility is based on inverter and battery BMS firmware version from:

Inverter ARM firmware version: V14 and higher version

Battery control unit firmware version: 1. 3. 2. 5; 13. 4. 3. 6

And the detailed compatibility as: ("√" means compatible, the others means incompatible)

● For LV (48V) Batteries

Battery Model					
ESA series					
EM Series					
S-BP Series					
ES Series					

● For HV Batteries

Battery Model	SH11K1NH				
ET series	✓				
EH Series	✓				
BT Series	✓				
BH Series	✓				
A-ES Series
